

POLITICAL COMMUNIQUE ISSUED BY THE PEOPLE'S FRONT FOR THE
LIBERATION OF OMAN ON THE AGREEMENT BETWEEN SHULTZ-ISRAEL-LEBANON.
=====

OUR GLORIOUS ARAB MASSES:

The American imperialism and the international zionism in coodination with the treacherous reaction continue their aggressive offensive on the Arab nation aiming at the Arab revolutionary forces throughout the Arab arena with the view to kneel these nations, loot their resources and impose American-zionist hegemony.

Today starts the second phase of Shultz-Israel-Lebanese agreement according to the American Camp David plan, representing a dangerous threat to the security of Syria and the Palestinean resistance, in particular, and the Arab situation in general. The recent American-Israeli statements, in the form of threat to Syria are no less than new attempt to put pressure on Syria to surrender so as to impose the American solution on the heroic Palestinean resistance.

Fixing the tent "Kilo 102" on the Lebanese lands, in which to be signed the separation of Lebanon from the Arab body and to turn it into a zionist protectorate means offering Lebanon lands and sovereignty in valuable reward to the zionist enemy for brutal massacres, crimes and destructions it has committed on the Lebanese and Palestinean peoples and is an encouragement for committing further aggressions and crimes against the Arab nation.

While condemning this agreement that ignores the sovereignty of Lebanon, the independence and safety of its lands and that represents a very serious threat to the security of Syria and the Arab nation, we call upon the heroic Lebanese people and their national and progressive forces and other Arab revolutionaries to stand for confronting the dangerous conspiracy and escalate struggle to liquidate it.

While greeting the steadfastness of the heroic Syria, we announce our principled and firm solidarity with militant Syrian Arab people and their heroic leadership and are confident that the steadfastness of Syria and its firm attitude against the American-zionist conspiracy will consolodate the national uprising, spred in more than one Arab arena. We praise the Soviet stand and stress upon the combative cohesion between the Arab nation and the Socialist cpuntries, above all, the Soviet Union, strategic and firm ally of the Arab people.

Lebanon will remain Arab, unified and free in the face of the invaders.
